Electric Heat	
Air Conditioning/Heat Pump	
Sump Pump	
Water Heater	
Refrigeration Equipment	
Dryer	
Welders	
Other	

To the best of my knowledge, the above data is accurate. I am the legal property owner, and if my electric load changes, it is my responsibility to let Oconto Electric Cooperative know. If the equipment needs to be upgraded due to an increase in my load, then I would be responsible for any charges that would be incurred.
