DO YOU HAVE CAPITAL CREDITS TO CLAIM?

Once a year, Oconto Electric publishes the names of members, past and present, who have outstanding capital credit checks. Maybe these checks were misplaced or lost in the mail, but for whatever reason they were not cashed. Now these checks are outdated and cannot be cashed. Names shown are from checks originally issued in 2020 and 2023. We have included the outstanding 2020 capital credit checks because any of these checks that are not reissued this year will be transferred into our educational fund and used for youth scholarships. This is the last opportunity for people to claim this money.

If you find your name listed here please contact OEC at 1-800-472-8410. If you know someone on this list, please have them contact us.

Oconto Youth Awarded FYF Van Sickle Scholarship

Ember DeWitt of Oconto Electric Cooperative is the recipient of this year's Charles Van Sickle Scholarship from the Federated Youth Foundation (FYF). DeWitt attends University of Wisconsin-Green Bay and intends to go to law school. She has a 3.68 GPA. The total scholarship amount awarded this year is \$2,722.67.

In her submission essay, DeWitt writes, "Earning a law degree will allow me to give back to my community in a substantial way. I love to raise others up and create a positive living and learning environment for others. DeWitt volunteers with various organizations including the UWGB Campus Cupboard (provides free food and clothing), Forest to Brooks Enrichment (serves youth with special needs), and Run for the Trails (annual race to fund a public trail.) She became interested in law while advocating against the takeover of family farms by industrial farms.

In recommending her for the scholarship, Dr. Nolan Bennett, assistant professor in the political science department at UW-Green Bay, wrote, "Ember is a thoughtful, determined student with a driven desire to help others through law. (179107) Based on my evaluation of her intellectual capacity and empathetic approach to legal study, I strongly recommend Ember for your scholarship."

Assistant Dean of Students Katie Morois wrote, "Ember played an integral role in our campus community, consistently exhibiting a strong sense of responsibility, initiative, and genuine passion for fostering positive change."

DeWitt has not decided what area of law to pursue, but says she is interested in cooperative law. Her goal is to attend law school at Marquette or UW-Madison after graduation. Congratulations Ember!

Energy Efficiency Tip of the Month

Placing heat sources, such as lamps, computers or TVs, near your thermostat can result in false temperature readings, increased energy use and inconsistent cooling/heating. Make sure your thermostat is installed in an area clear of obstructions, electronic devices, direct sunlight and drafts.

Ensuring your thermostat is free from these types of interferences optimizes energy efficiency, improves indoor comfort and reduces wear and tear on your cooling/heating system.

Source: energy.gov

HIDDEN ACCOUNT NUMBERS

Oconto Electric Cooperative hides two account numbers in the local pages of the *Wisconsin Energy Cooperative News* each month. If you spot your account number, call our office before you receive the next issue, and OEC will give you a \$15 credit on your electric bill or a \$25 credit if you have a load management receiver. The July account numbers belonged to Allen Peterson, Lena, and Randy Nasgovitz, Pound.

Ryan Miller, CEO

Katie Jagiello, Communications and Marketing
