IT ALL STARTS WITH "WHY?"

WATERMELON RECIPES

DO YOU HAVE CAPITAL CREDITS TO CLAIM?

Once a year, Oconto Electric publishes the names of members, past and present, who have outstanding capital credit checks. Maybe these checks were misplaced or lost in the mail, but for whatever reason they were not cashed. Now these checks are outdated and cannot be cashed. Names shown are from checks originally issued in 2022 and 2025. We have included the outstanding 2022 capital credit checks because any of these checks that are not reissued this year will be transferred into our educational fund and used for youth scholarships. This is the last opportunity for people to claim this money.

If you find your name listed here please contact OEC at 1-800-472-8410. If you know someone on this list, please have them contact us.

Local Boy Scout Dakota Friedman and Oconto Electric line clearance tree trimmer Dan Ruid pose with the mower used to clear the overgrown area for Dakota's Eagle Scout service project behind the Oconto Falls Library.

From Brush to Books

Cooperative Principle 7, Concern for Community, is a favorite at Oconto Electric because it gives us the opportunity to help make our local communities stronger and more vibrant.

Recently, Oconto Electric had the chance to support Dakota Friedman, a local Boy Scout working toward the prestigious rank of Eagle Scout. As part of earning this honor, Dakota is required to complete a community service project. He chose to build two benches and create an outdoor reading area behind the Oconto Falls Library, providing residents with a peaceful place to relax and enjoy a good book.

The selected site, however, was heavily overgrown with brush and vegetation, making it a significant undertaking. To help move the project forward, Oconto Electric's line clearance tree trimmer, Dan Ruid, used the cooperative's right-of-way mower to clear the area.

Once the overgrowth was removed, members of Dakota's Scout troop stepped in to clean up the debris. The City of Oconto Falls will complete the next phase by adding topsoil and seeding the site.

When finished, the outdoor reading area will offer visitors a beautiful space to read, gather, and enjoy the scenic view of the river and dam. This project is a great example of how cooperation and community involvement can come together to create something lasting for everyone to enjoy.
